WAEC CHEMISTRY PAST QUESTIONS & SOLUTIONS COMPLETE PACK (2015-2024)

THEORY, OBJECTIVES & GRADE A MASTERY STRATEGIES

The Only Chemistry Preparation Guide Nigerian Students Need to Score A1 in WAEC and Secure University Admission

Published by Skillshelf | 2026

TABLE OF CONTENTS

CHAPTER 1: THE WAEC CHEMISTRY SUCCESS BLUEPRINT

Learn the proven 5-step system that helped 89% of our students score A1-B3 in Chemistry, including the exact study schedule and formula memorization techniques that separate grade A students from the rest.

CHAPTER 2: ATOMIC STRUCTURE & BONDING MASTERY (2015-2024 QUESTIONS)

Complete solutions to all atomic structure questions from the past 10 years, with the visual memory techniques that make electron configurations and bonding patterns stick permanently.

CHAPTER 3: CHEMICAL CALCULATIONS & STOICHIOMETRY SOLUTIONS

Step-by-step breakdowns of every calculation question type, including the "unit factor method" that eliminates 90% of computational errors and gets you full marks every time.

CHAPTER 4: ACIDS, BASES & SALT ANALYSIS COMPLETE GUIDE

All theory and practical questions solved with the pH mastery system and salt identification flowcharts that guarantee correct answers in under 3 minutes.

CHAPTER 5: ORGANIC CHEMISTRY PAST QUESTIONS & STRATEGIC SOLUTIONS

Every organic chemistry question from 2015-2024 solved using the "reaction pathway mapping" technique that makes even complex mechanisms simple to remember and apply.

CHAPTER 6: ELECTROCHEMISTRY & REDOX REACTIONS DECODED

Complete solutions with the "electron bookkeeping" method that makes balancing equations and calculating cell potentials foolproof, plus all past electrolysis questions solved.

CHAPTER 7: RATE OF REACTION & EQUILIBRIUM MASTERY PACK

All kinetics and equilibrium questions with the graphical analysis shortcuts and Le Chatelier's principle applications that secure maximum marks in minimum time.

CHAPTER 8: WAEC CHEMISTRY EXAM DAY STRATEGY & FINAL PREPARATION

The complete exam day playbook including time management tactics, question selection strategy, and the final 7-day intensive revision plan that locks in your grade A.
